

Call for Applications

Dissertation and Summer Training (Self-sponsored)

Wadia Institute of Himalayan Geology is an autonomous research Institute of the Department of Science & Technology, Govt. of India. The Institute carries out advance level of research in all aspects of geology and geodynamics of Himalaya. It has strong specialization in the areas of Petrology and Geochemistry, Structure and Tectonics, Sedimentology, Geomorphology, Glaciology, Magnetostratigraphy, Biostratigraphy, Quaternary Geology, Paleoclimatology, Economic Geology, Environment Geology, Seismology and Geophysics. The Institute encourages young students in making career in the emerging areas of earth sciences by providing them research guidance with laboratory facility for their M.Sc./M. Tech. Dissertation, and one to two months short duration Summer Training. For this purpose, applications are invited from aspiring students to carry out Dissertation and Summer Training at Wadia Institute of Himalayan Geology in the year 2019.

Important Information:

- Summer Training will be provided to post graduate students of geology/geophysics/earth system sciences and other allied fields, and fourth and fifth year students of the integrated Bachelor and Master degree course of these subjects. The summer training is also open to undergraduate students of engineering disciplines.
- The application MUST be forwarded through the Head of the Department.
- Self-attested certificates/mark sheets in support of the educational qualifications must be attached with the application form. Incomplete applications will not be considered.
- A brief write-up of research interest with proposed research problem (in about 100 words) should be attached with the application form in case of students applying for Dissertation.
- In case a student wants to be considered for both the institute as well as self-sponsored summer training, he/she will be required to fill two separate forms for the same.
- Summer training will be carried out during May – July. The duration of Dissertation work shall range from three to six months.
- Not more than five students will be entertained from the same department/university in case of self-sponsored candidates and two in case of Institute sponsored candidates.
- Selection will be based on Merit.
- Incomplete applications and applications received in any other format, other than the prescribed format and after the due date of application shall be rejected.
- Candidates selected for summer training/dissertation need to arrange logistic support themselves. Institute does not provide any logistic support.
- Important dates:

S.No.	Courses	Last dates of application
1.	M. Sc./M. Tech Dissertation	10 th January, 2019
2.	Summer Training (Self-sponsored)	31 st March, 2019

Interested candidates may apply in the prescribed format ([Click here to download](#)) and send the duly filled applications with all attachments, complete in all respects to the following address before the due dates:
