### Annexure 1 to the Main Audit Report

The following observations were noted during the course of audit for the financial year 2009-10. The same have been discussed with management and comments and explanations of the management thereon have also been obtained.

1. The institute is maintaining accounts on cash basis, which is not in conformity with the generally accepted accounting policies adopted in India and as per the Accounting Standard 1 “Disclosure of Accounting Policies” issued by the Institute of Chartered Accountants of India. The “Uniform Accounting Format” of financial statements for the Central autonomous bodies as has been made compulsory by the Ministry of Finance w.e.f. 01.04.2001, and adopted by the Institute also, recommends accrual method of accounting.
2. The total funds which remained un-utilized as on 31.03.2010 could not be bifurcated into Plan and Non-Plan funds as the books of accounts and bank account is one only, and, hence it is not possible to verify how much of the funds have been utilized from Plan or Non-Plan Funds separately. However, as informed, the Institute is preparing a separate statement to bifurcate the amount utilized to respective funds in the form of utilization certificate.
3. The Recurring fund of the Corpus fund of the Institute is negative by Rs 4,87,03,485 that means, the institute has utilized non-recurring fund to the tune of the said amount for recurring purposes.
4. The Institute has not booked the current liability for the retirement benefit of the employees as per Accounting Standard 15 “Employees Benefits” as issued by the Institute of Chartered Accountants of India.
5. The financial statements of the institute and the projects sponsored by the other agencies and the CPF, GPF and the new pension scheme are not consolidated as per Accounting Standard 21 “Consolidation of financial Statement” as issued by the Institute of Chartered Accountants of India.
6. The internal control regarding fixed assets needed to be strengthened. The following observations are made:
  - a) The fixed asset register is not maintained by the Institute.
  - b) The additions to fixed assets are not numbered properly.
  - c) The verification of the fixed asset is not done periodically by the management of the Institute. The last verification report produced for verification was against letter dated 26/11/2008.
  - d) The assets of the nature of Plant, Machinery and Equipments are not bifurcated into computer systems and other plant and Machinery in the books of accounts.

7. The institute is adopting the policy of charging depreciation on fixed assets on the basis of written down value method as per the rates specified in the Income Tax Act, 1961, however, the following observations are made:
- Full year depreciation is charged instead of six months, on assets purchased for the half year ending 31<sup>st</sup> March, 2010. As per the management the same policy had been adopted in the previous financial years also. But if the same has been depreciated as per the rule prescribed by the Income Tax Act 1961, then surplus would have been overstated by Rs. 1373380.00.
  - The Computer System and peripherals are depreciated @ 15% p.a. instead of 60% p.a. on W.D.V basis. Depreciation amounting to Rs.3,31,953/- has been charged by the institute on additions made during the F.Y.2009-10 but if the same has been depreciated as per the rate prescribed by the Income Tax Act 1961, then surplus would have been understated by Rs.3,31,923/- (6,63,906-3,31,953)
  - The books are depreciated @ 15% p.a. instead of 60% p.a. on W.D.V basis as applicable to research institutes. Depreciation amounting to Rs.16,12,712/- has been charged by the institute on additions made during the F.Y.2009-10 but if the same has been depreciated as per the rate prescribed by the Income Tax Act 1961, then surplus would have been understated by Rs.17,87,665/- (34,00,377-16,12,712)
  - The fixed assets are being accounted for on payment basis. In case the payment is made in parts then the depreciation is wrongly charged on only the amount that has been paid as against the full value of the invoice.
8. The Institute has not bifurcated the advances indicating the period of outstanding given to staff and Parties. The Party Debtors amounting to Rs. 1,42,779/- and Staff Debtors amounting to Rs 30,339/- are outstanding since more than 3 years. The advance which could not be realized in due course should be written off with the approval of the competent authority.
9. The internal control regarding Tax Deducted at Source needed to be strengthened. The observations are as follows:
- It was observed that only one challan was used to deposit the income tax deducted at source which falls under the category of different sections like 194C, 194I, 194J etc. As per the Income Tax provisions a separate challan should be used for deposit of TDS under different sections and for corporate and non-corporate deductees.
  - The challans are not being deposited electronically.
  - The Challans for TDS deducted have not been deposited in time as per the provisions of Income Tax Act; 1961.
10. The Institute has transferred fixed assets of 9 projects sponsored by other agencies as per procedural guidelines, as informed. However, the guideline for any specific project for transfer of assets was not found on record. Further, there are no transactions in about 22 other sponsored projects in the F.Y. under Audit. The research

11. The balances in the earmarked funds of IAS-2005 Workshop, Expert Committee, NSOA & FSZ and ULF/VLF Equipments have been shown negatively by Rs. 3, 65,096.00 which means, the amount had been expended from other funds specific for other purposes. The loan from WIHG should have been shown when the amount was utilized from other funds and the same should have been shown as current liability in the Institute accounts.

We are thankful to the staff and the management for the co-operation extended to us during the course of audit.
